

Learn to Swim Lessons (\$25 each; \$5 discount if registered by the Thursday prior to class)

Each session runs Monday through Thursday for 2 weeks (fee is for the 2 week session). It is recommended that you only enroll in a max of two sessions at a time because enrollment in future classes is determined by passing the necessary skills in the previous class. Achievement Reports will be provided on the Wednesday of the second week of class indicating whether or not the child has advanced enough to move on to the next level. It is the responsibility of each family to make sure that their child is enrolled in the right class. Please contact our office immediately if a transfer or any other change needs to be made to your enrollment. Because classes fill up quickly, if you enroll your child in the wrong level, you may not be accommodated if your child is in a class that is too high above his/her ability level. We do not offer refunds, credits, transfers for swimming lessons **after noon on Friday preceding the start of the first class** – extenuating circumstances will not be considered due to the high demand for these classes. Register for one class per session, and if there are openings patrons can be enrolled into additional classes on-site the first day of lessons.

Due to restrictions, schedule subject to change.
