- Equestrian Teams and Horse Drawn Carriages/Wagons must have parade experience. Riders must have control of horses at all times. Unsafe animals will be removed.

3. Committee Rights: The Holiday Light Parade committee reserves the right to cause removal of any person or entry from the staging area or parade route that is, in its opinion, offensive or a hindrance to the progress of the parade, or places other participants or spectators in physical danger, or violates any of the regulations set forth in this application. These rights are non-negotiable and will be strictly enforced. Any violation of the above listed regulations will be considered grounds for immediate removal from the parade.

4. Liability Statement: Participants must recognize that all programs of a physical nature involve some risks, and that by registering for a program of this nature there is an assumption of risk by the participant or the participant's parent or guardian. Furthermore, the participant agrees to indemnify and hold harmless the City of Apache Junction and the Apache Junction Main Street Inc., its employees and program volunteers, from any loss or liability which may result from such participation. All pictures & video taken by staff at special events and programs are subject to publication, along with the pictured person's full name.

I have carefully reviewed the rules, regulations, and liability and fully understand its content. I understand that it is the responsibility of each organization's representative to have all of his/her participants read and adhere to the above information.
