

Let's Play Pickleball!

The Multi-Generational Center has four indoor Pickleball courts for all ages and levels of play.

Pickleball is free to all members and open to the public for daily rates (\$4 adult and \$3 for youth).

We supply wooden beginner paddles and pickleballs.

Pickleball is played as drop in games, first come, first served. Players sign in on white board, and play doubles to a score of 11. Games are self-regulated.

Courts are available during the following times:

Monday 9a-12:30pm

Wednesday 9a-12:30pm

Friday 10a-1:30pm

Courts may be closed due to maintenance or scheduled events/programs-follow us on Facebook for up to date postings on court availability.

If you've never played before, we recommend participating in a drop-in lesson, free for members or daily rates for non-members.
